

Key feature differences

While preserving the whole experience on both installations Exporter Data Center/Server and Cloud only differ in 2 things. As you can see in the table below, Exporter Cloud will not be able to export your issues in PDF format or export your issues' attachments. That's it. The rest is the same experience.

Exporter Features		Exporter Data Center / Server	Exporter Cloud
Export format	Export to Excel	✓	✓
	Export to CSV	✓	✓
	Export to PDF	✓	✗
Bulk link Jira issues to a new or existing one		✓	✓
Extra content	Attachments	✓	✗
	Comments	✓	✓
	Transitions	✓	✓
